

Document Solutions

Identify with *IdentiSys*[™]

Bring your presentations to the next level...

Outsourcing production for documents is time consuming and expensive - plus, you need to meet minimum orders. IdentiSys represents the worlds preeminent manufacturers of binding, laminating, finishing, and paper handling products.

Binding Technology

Give your books, directories, workbooks, informational booklets and more, the finishing touch. These systems are quick and easy-to-use, plus they save you time and money.

- Punch and bind machines
- High performance systems

Laminating

Use for posters, cutouts, signs, photos, presentations and charts to add longevity and durability. Laminators are excellent to preserve and protect your documents.

- Pouch laminators
- Film roll laminators
- Cold laminators
- UV coaters

Paper Handling Technology

Handle folding, cutting and other needs with ease to improve productivity and save time and money.

- Paper cutters and trimmers
- Booklet makers
- Pressure sealers
- Folders and creasers

Shredding

Keep confidential documents confidential with our wide range of shredders. We offer shredders with up to six different security levels.

Supplies

Everything you need to make your documents impressive including tabs, binders, papers and more.
