## Our Mission

IdentiSys Inc., North America's largest full-service security, ID and card solutions provider is committed to serving you with exceptional customer service, an expansive product line, on-site service, and an unparalleled experience.

## Our Value

IdentiSys represents over 70 key manufacturers in the identification and security marketplace. We put our knowledge and experience to work for customers across all markets including: corporate, education, financial, hospitality, gaming, government, healthcare, insurance, loyalty/membership, retail and transportation.

With sales representatives and manufacturer certified technicians located in 28 states and the District of Columbia, IdentiSys offers consultative sales and on-site service to meet your security, ID and card issuance requirements.

## The Company

We were founded in 1999 and have grown dramatically. We now serve over 60,000 customers. Our customer base includes 76 Fortune 100 companies and over half of the Fortune 500 companies.

- IdentiSys continually focuses on expanding its market reach, with key acquisitions in new US regions.
- ID Connection, a division of IdentiSys, is a distributor of ID products, selling to resellers worldwide.

## Solutions in Brief

- Central card issuance solutions
- Card printers & supplies
- Complete photo ID systems
- Access control & video surveillance
- Card personalization, embossing & fulfillment
- Financial instant issuance

- Positive patient ID
- Document finishing & shredders
- Plastic cards, fobs, and other tokens
- Card supplies and accessories

## Our Service

IdentiSys customer engineers and the services we offer set us apart from others in the industry.

As industry veterans, IdentiSys Customer Engineers (CEs) earn their stripes to become members of our Certified Tiger Team. They work locally and have over 600 years of combined installation, training and service experience. Our CEs are manufacturer certified experts in their field and work to ensure your service needs are satisfied promptly.
